Want to present your research? **See the next slide for more info!**

Have you done

Research?

Are you of Polish descent or is your research related to Eastern Europe/ Slavic culture or history?

This event offers a unique opportunity for youth to present their research projects, practice public speaking, and connect with people from diverse academic backgrounds.

If you wish to present your research, we invite you to sign up to be a presenter.
The research could be on any topic.

Please email us at **mpsa@ssmu.ca and office@polishinstitute.org** with a short abstract about your research (250 word limit) along with your research presentation draft. 10 presentations slots are open.

Food and refreshments will be served for all attendees!

Presenters will receive prizes!

DEADLINE TO APPLY:
